# FREE ON-DEMAND LEARNING FOR OSTEOPATHIC MEDICAL STUDENTS

Explore the ACOFP eLearning Center

Looking to build your skills and learn at your own pace? The ACOFP eLearning Center offers free, on-demand resources created just for osteopathic medical students!

### Webinars and Recordings on:

- \* Financial Planning
- \* Health and Wellness
- \* Leadership Training
- \* OMT
- \* Preparing for Residency
- \* Public Health
- \* Residency Training
- \* The Scope of Family Medicine

### Listen Now: DO.fm Podcast

Tune in to hear medical students, residents, and practicing physicians share their experiences and insights, from matching into family medicine programs to preparing for rotations and residency interviews. Learn about different practice types, including direct primary care and obstetrics, and how practicing physicians incorporate OMT into everyday care.

**Available anytime in the ACOFP eLearning Center!**

**Start exploring the FREE student resources in the ACOFP eLearning Center today.**
